2. The goals are to help the parties work together in a proactive manner and to keep accidents to the lowest level possible, in both frequency and severity. This guidance is not intended to dictate activities or to establish technicalities for the purpose of denying benefits. Compensation claims will be adjusted in accordance with the laws of the State of Montana, addressing when coverage applies and what benefits are paid.

B. Definitions

1. Coverage During Travel- When a volunteer is to participate in a preapproved and supervised training or activity, coverage will begin when the volunteer arrives at the designated location. Coverage ends after the training session or activity is completed.
